

Mid Herts District Newsletter

Issue No 40 January 2012

Are we all refreshed and ready to go again!! With the holidays there has not been so many items received this month so the Newsletter is smaller than normal.

Warm welcomes to the following occasional helpers:

Anne Scutt and Arty Hyseni, 1st WGC; and Jonathan Horsley, 11th WGC.

RESOURCE CENTRE NEWS

We are looking forward to 2012 at the Resource Centre - please find attached, to the email, a flyer to go on your notice board. We will also distribute an A4 coloured / laminated version during January.

As we stated at the last District Executive we are willing to attend your AGM (or any other event) to set up a table with a sample of uniform, books, badges and Scouting accessories. Just let us know when and we will be there.

ADC [SCOUTS] NEWS

After last year's sterling performance by 2nd Welwyn in finishing 9th overall in the Green Beret Challenge, they had a trophy made that was hung on the wall of their hut. They very kindly offered to donate it to the District, so that it can be presented each year to the highest finishing team from Mid-Herts.

I collected the trophy from the 2nd Welwyn on the Green Beret and duly presented it to the 1st WGC team as this year's District winners on a Tuesday evening.

Many thanks to the 2nd Welwyn for offering the trophy to the District.

JAMBOREE PRESENTATION

A presentation of their experiences at the World Scout Jamboree in Sweden and their subsequent Home Hospitality will be given by Leo and Sam at the 2nd Welwyn Headquarters, Canonsfield Road on **20th January 2012 commencing at 7.30 pm.**

All who would like to attend should let Bill & Janet Turnbull know by the **14th January** refreshment provided.

We are wanting to make up a list of good, reliable and reasonably priced contractors, (Builders, Plumbers, Carpenters, Electricians etc). So if you have used someone, particularly in a Scouting situation at your HQ, we would appreciate all the details of how to contact them. Please however let us have anyone else who you would recommend as being suitable, that has done good work for you personally. It will help to know if the work was a private job or one for Scouting when you give Penny the details.

It may even be that we have trades persons amongst our members Parents who would be willing to do some work through their own company.

The list will then be put into the District Directory where a new version should be out in February. **Also regarding the Directory I am asking Group contacts/GSL's to supply me with any updates by mid January please.**
